

Due to continual expansion and being recently awarded several dental contracts, SDC Laboratory Ltd is looking to recruit dental technicians of the highest standard to join our dedicated team of in house ceramists.

In return the successful candidate can expect the following benefits...

**Competitive salary (£18-30k per annum excluding overtime and bonuses)**

**FREE car parking facility**

**FREE monthly CPD training (covers all mandatory elements per year)**

**28 Days annual leave (plus additional days accrued for years service)**

**10 – 15 units per day (Depending upon quality and experience)**

**Flexible working hours available**

**Part time considered**

**FREE Private health care provided**

Should you be interested in the above position and you have the drive, ambition and a passion to help make a difference then why wait, contact us today by sending your CV for the attention of Dean Gee to
